

MyForum™ New Employee Portal

Enlist, Engage and Inform New Employees

BENEFITS:

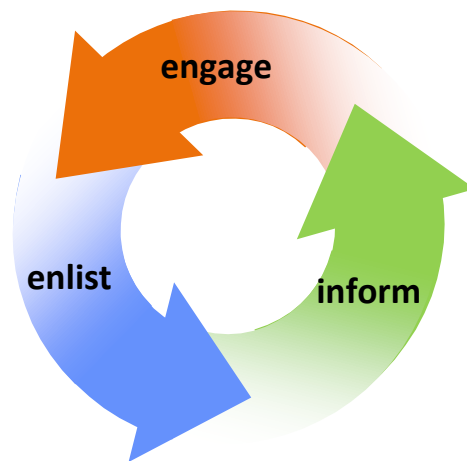

- MyForum provides on-demand access to HR, Payroll and Benefits – providing new employees the information they need for a personalized onboarding experience.
- MyForum is hosted and maintained by KMS' world-class services organization.
- MyForum maintains the highest security standards to ensure the protection of sensitive company data.

MyForum New Employee Portal is a key component in personalizing the on-boarding experience for new employees and ensures that they are engaged and informed on day one. MyForum New Employee Portal guides the new employee through all of the resources available to them as they prepare the transition to their new company. In addition to personalized content geared directly to the new employee, MyForum New Employee Portal provides Information about company values, benefits, policies and procedures.

MyForum New Employee Portal allows new employees to access streaming videos, which will provide valuable training content as well as indoctrination into the company's core values.

No matter what the question is – dress code, parking, holidays, community projects, special interest groups – the answer is only one click away. The possibilities are endless with MyForum New Employee Portal and the benefits even more profound.

KMS Software Company is exclusively devoted to providing world class human capital management software that helps strengthen the relationship between employers and employees around the world.
